SCOPE AND CONTENT NOTE:

This collection is organized by group. However, it includes information on roughly 300- 500 individuals some of whom are from well-known nineteenth century Gettysburg families, Gettysburg merchants, and local banks. The collection also includes information on the Gettysburg, district, state, and national branches of many fraternal, sororal and/or political organizations. The documents that can be found in this collection include death records, financial letters, miscellaneous letters, minutes and roll call books, a few artifacts, advertisements, bills, receipts, cancelled checks, and event programs to name a few. The organizations that are included in this collection are: The Patriotic Order of the Sons of America (POSA or P.O.S. of A) Washington Camp No. 414 of Gettysburg, The Grand Army of the Republic (GAR) Corporal Skelley Post #9 of Gettysburg, The Ladies Auxiliary of the Grand Army of the Republic (Ladies GAR) Circle #138 of Gettysburg, the Sons of Union Veterans (SUV) Camp No 212 of Gettysburg, the Women's Relief Corp, whose Gettysburg camp number is not provided, and the Daughters of Union Veterans (DUV), whose Gettysburg camp number is not provided. Other branches of the organizations are mentioned in a few documents as are regional, district or national branches of the organizations. In addition, there are some organizations which have one record and are not included in a series, rather they are included in the main organization's series. For instance, the Allied Orders of the Grand Army of the Republic records are listed in the Grand Army of the Republic Series. Still other organizations with single or very few records are given their own series mostly because they happen to be in their own box or folder. For instance three examples are the Daughters of Union Veterans, the Women's Relief Corps, and the Auxiliary to the Sons of Union Veterans.
